PORTRAIT OF A WOMAN OF FAITH

EVANGELIST LYDIA ICHAME IDOKO JP

PRESIDENT AND FOUNDER,
FAITH WOMEN FELLOWSHIP MINISTRY.

CHILDHOOD: I knew Evangelist Mrs Lydia Ichame Idoko (JP) from her tender age while in Primary School years back, very cheerful and easy going young lady. She relates easily with everyone. She was opportuned to meet her God given husband early in life and were together moving from one state to another due to the nature of the Husband's job as a Judge, but finally settled at Makurdi Benue State as honourable Judge in the State Judiciary and later became the Chief Judge of Benue State.

CALL TO MINISTRY: Being a Committed Christian, little did she know that God was preparing her for a bigger task, when God finally decides to use her as a Vessel, though with mix feelings she did not yield to this call instantly but when she was sick and was unable to respond to medical treatment given by all the doctors in the hospital then, then she began to trace herself back and was asking God

why she was not responding to treatment? it was then God opened her eyes to see the reason, and she yielded immediately to God's invitation and got her Divine Healing from above and this gave birth to Faith Women Fellowship Ministry in the year 1986 at Makurdi, Benue State.

DOGGED COMMITMENT AND DEVOUTNESS: She is devout and committed to this Kingdom business and this took her to every Local Government of Benue state and Kogi State evangelising and establishing the Fellowship. The Fellowship was enjoying God's divine Presence and Power, Miraculous testimonies for God's faithfulness in all branches and new members were won because of Visible Evidence of God's Faithfulness, trooped into the Fellowship at every given opportunity.

WIDOWHOOD IN MINISTRY:

The sudden death of the Husband, the honourable Chief Judge of Benue State, Chief Justice Alhassan Idoko of blessed memory, brought in some bottlenecks but after her mourning period she bounced back and the devil has no choice but to pack its loads and leave. It was a horrible experience but because God is the foundation of this Ministry it is still standing strong up till today, to God alone be the glory.

A WOMAN FAVOURED BY GOD:

Who can battle with the Lord? God, despite all tribulations from close and external forces God still favoured her, she never lack any good things, God has been her provider and protector, we give God all the glory.

PERSISTENT IN FAITH: She is a Woman of strong faith, the Bible states, if you fall in times of adversities your strength is small, Prov 24:10 so she stands firm no matter the pressure, consistent in faith and standing upright up till

now. One thing I know about her is that "she never gives up no matter the heat of time.

A ROLE MODEL TO EMULATE: She is a role model to her members alike and everyone that comes in contact with her will have much wisdom as the Bible States " if you walk with the wise you will be wise. She is also a good counselor.

AN AUTHOR OF MANY BOOKS:

She has written many Inspirational books which is also educative with everyone that comes in contact, **Eg. " Journey of faith, God makes the just laugh, "prejudice is but a witchcraft.** Among others.

My prayers for her is that " God will continue to take her to a higher height in Jesus Name, and at the end of time she will wear the crowns that are prepared for her in heaven.

Ministerial Testimony

The World In search of Godly Leaders

The world is in need of men and women who have determination, courage and passion to give an excellent meaning to purpose of their existence in life.

The simple reason is that, nature does not require us to be born perfect; it only requires that we grow into maturity and for perfection by experience of life, as well through individual callings, dreams and visions. Therefore, a vision and a visionary is likened to be like a clay in a hands of a Potter or Papers in the hands of a great Artist, no matter what the quality of the papers are made of it can become a **"Treasure of Trophy"** in the hands of an Artist a passionate and inspirational Leader.

Learning to be the best who God intended of me.

My experience for 34 Years in the Ministry was a golden opportunity to me and for God Almighty to make His jewel out of me, which is likened to an interesting story about the hand of a Potter and the Artist these basically communicated the inner Power of strong inspiration and passion in every chosen Career once one is under the influence of an empowering divine inspiration and with unquenchable passion through the power of the Holy Spirit.

Such a leader has uncontrollable obsession with a purpose and dogged commitment to achieve the cause of an excellent destiny which is a vital instrument to attaining greatness in a chosen career.

The Hand Of An Artist.

I have learned a great lesson and again Wisdom from an interesting story of an inspirational and passionate English Artist named Wolcott, who went to New York in **1924** to record his impression of a great city. One morning he was visiting an Office of a colleague, on the friend's desk he saw a paper and asked him; "May I have those papers on your desk?" The friend answered and said; "that is not sketching papers, they are ordinary wrapping papers".

Not wanting to lose the quick inspiration, Wolcott took the wrapping papers and said, **"Nothing is ordinary if we know how to use it"**. In that ordinary wrapping papers Wolcott made two sketches later that year one of the sketches was sold for **\$500** and the other **\$1000**, a lot of money for **1924**.

We Enjoyed Divine Presence In FWF Ministry.

Throughout these 34 Years, we enjoyed God's Divine Presence and Ministry of Divine

Angels.

We are also kept by the Power of God Almighty who on a daily basis as an honor to His Word in the Ministry. We constantly enjoy the Ministry of Divine Angels continually, God Almighty on daily basis gave the Ministry an overwhelming testimonies of the manifestation of God's Divine vindication, triumph, faithfulness and success accorded to the Congregation and our families.

For 34 Years I have seen God's Unspeakable grace at work in all my undertakings in life and especially in my widowhood experience for the 21 Years is worth testifying with a gracious heart.

The Best I Have Is Myself

My conscience become my friend to guide me direct and to safe guard my whole being. (actions and deeds) My conscience being my best friend constantly remote control my entire life. **When we listen to our conscience, it shall help us to live righteously and Godly life. It will also help us to avoid a lot of earthly mistakes.**

I become the better friend of myself because nobody can speak the truth to me best than myself ,through my conscience, hence my inner most parts cannot lie to me, so my conscience is my best teacher. Someone said, **"The most important relationship you will ever have is with yourself"**. Because a pure Conscience speaks the truth than other persons who can tell you the real truth once you truly care to Listen to your God – fearing conscience, let us re-examine and to keep re-evaluating ourselves in

order to keep ourselves righty and in a right relationship with God who will graciously transform our lives into Vessels of Gold and Honor. **2 Tim 2: 19 – 24.**

Conclusion

My learning process out of these 34 Years has helped me among other things:-

1. We have Constantly Acknowledged the Power, Presence and the Preeminence of God in the Ministry.
2. It had helped me to grow-up into Spiritual Maturity, through self-development and Trust in God.
3. We have been learning more about the Power of God Almighty, His Principles, Doctrine and His Attributes and the mystery of His Creation.
4. Knowing more of the mystery of the Power of Creation and People.

All these learning process were geared toward actualizing **God's Perfect Will for my life purpose.** We are graciously grateful to God Almighty. Ps 48: 14; 89:1.

The Paradox Of Life

What Is Paradox ?

Paradox is defined as a situation or statement that seems impossible or difficult to understand because it contains two opposite facts or characteristics. If I were to be asked what has been my greatest challenge in the race of life? My answer would be,

People! So many people with hearts too deep to uncover.

Jere 17:9-11.

Their thoughts too obscure to discern and words too sweet to doubt. But what is man? Man's heart is full of wicked intent. The trend and direction of some people are only towards evil.

Even God saw that the heart and mind of man is full of wickedness.

Gen 6:4-8. Man's heart is full of:

- i. **Hypocrisy**
- ii. **Eye Service**
- iii. **Double Dealings**
- iv. **Self-Centeredness**
- v. **Deception,**
- vi. **Pride and**
- vii. **Laziness etc,** the list is endless because of the evolving nature of man.

Prov 26:23-27.

Again, on the other hand, if I were to be asked about my greatest asset in the race of

life? **People, many people But how?**

Ministry is about People and for people.

Ministry is Reaching People with Good News.

Ministry is Touching and Impacting People with the Power in the Word of God.

Ministry is Raising People to reveal the true Image of God in Christ Jesus.

Ministry is all about Spiritual Impact and Godly influence. Affecting other lives positively to change and also

transform Destinies of People from ordinary to an Extraordinary life.

Making them become New Creation **2 Cor 5:17** in Christ Jesus to the glory and praise of God **Col 1:28-29,**

Rom 12: 1-4 so that all of us will run the race of life to obtain the precious prize

1 Cor 9:24-27.

Therefore, the Proof of God's Ordained Ministry is a gift from God, are truly God Seekers and fearing, loving people, making peculiar difference in the World in Christ

Jesus Name. Ministry is all about people and Impact, *“for where there is no Vision the people perish but he that keepeth the Law, happy is he”*. Prov 29:18. Hence, Vision, Ministry, and people are vital.

I also honestly believe that with Obedience, Honesty and Loyalty to God and People, the Vision and Ministry will be solidly sustained by the grace of God. I have realized that true Fear of God promotes Godly Passion for Godly Service to God and humility. We are Preserved, Called to pleasure God's Purpose on earth. **Rev 4:11**

This is what empowers my faith to stay focused and persistently doing the Will of God for humanity. My Life, Family and Ministry is totally anchored on the foundation of Christ Jesus and the Power of the Word of God. God will by His grace certainly perfect everything about us and the Ministry.

Obedience may be costly but the overall end result is priceless. I have also realized the every challenge in the past makes us to be stronger and become the best person that God intended we should be. **“He who Calls us is faithful, and He also will do it”.**

**GOODWILL MESSAGE TO FAITH WOMEN MINISTRIES,
MARKURDI, BENUE STATE AT THE 34TH ANNIVERSARY
AND DEDICATION OF THE MINISTRY HEADQUARTERS
OFFICE COMPLEX SCHEDULED FOR 31ST MAY, 2020**

**True to your name,

we dedicate today is
convincing proof of
your “Faith” at work.
But more
Importantly your
recognition of the
injunction that faith
without works is
dead. this is a great
work indeed.**

Let me say how very honored I am, to have been invited to the 34th anniversary of Faith Women Fellowship and the dedication of your Ministry Headquarters and Office complex. But for the current COVID-19 pandemic, it would have been a most pleasurable delight to be in your midst and personally relish the magnificence and grandeur of the beautiful complex.

May I however, specially congratulate you on the privilege of successfully conceiving, planning and building a Complex for the Lord. I equally share your joy of laying the foundation, finishing and dedicating the building. Your hands as the hands of Zerubabel have laid the foundation of the house and finished it (Zech 4: 9).

True to your name, Faith Women Ministry, this edifice we dedicate today is convincing proof of your “faith” at work. But more importantly your recognition of the injunction that faith without works is dead. This is a great work indeed.

Even as we built this physical structure, let us now arise and build a new Nigeria. A Nigeria with renewed people and ‘a New Tribe’ where there is neither Hausa nor Igbo, Tiv nor Idoma (Gal. 3: 28). A nation built on principles that all persons are created equal; that resources attain their greatest use when they are rendered for the benefit of all; that our best talents must be applied in every task; that we must respect the rule of law and the centrality of law and order; that none will be allowed to steal or waste public resources; that we will prefer and reward excellence

and merit; that Government is to create the circumstances for the happiness and prosperity of the majority; that the life of the Nigerian person is our most precious resource; that we must love our nation and love each other; and protect the weak and vulnerable.

We are reminded that we can birth a New Nation if we travail in faith: "Who hath heard such a thing? who hath seen such things? Shall the earth be made to bring forth in one day? or shall a nation be born at once? for as soon as Zion travailed, she brought forth her children." (Isaiah 66:8)

The Lord has assured us in Nehemiah 2:20 that He will prosper us as we build: "Then answered I them..... The God of heaven, he will prosper us; therefore we his servants will arise and build..."

Thank you and God bless you.

My Dear Evang. Lydia,

GOODWILL MESSAGE

With glory and honour to Almighty God, I write to congratulate Evangelist Lydia Idoko and the Faith Women Fellowship Ministry on the celebration of her 34 years anniversary and dedication of her National Headquarters in Makurdi, Benue State. Evangelist Idoko has been a mother and pillar of support to countless people. She has consistently mentored many people in her service in the vineyard of the Lord.

It gives me great joy, that Evangelist Idoko appreciates the importance of winning souls, as our Lord Jesus Christ commanded us to go to all parts of the earth and make disciples of men. She has also shown exemplary leadership in preaching agape love and harvesting souls into the kingdom of God. This, she has meticulously been doing for the past three decades.

I am glad, that, like King Solomon, who built and dedicated the Temple to God; Evangelist Lydia Idoko with other children of God have also, built, and will be dedicating the National Headquarters of the Ministry to God.

MY WORD ABOUT EVANGELIST (MRS) LYDIA IDOKO (JP) ON THE OCCASION OF THE DEDICATION OF THE FAITH WOMEN FELLOWSHIP NATIONAL HEADQUARTERS AUDITORIUM MAKURDI

“ I have been privileged to relate closely with our Dear Mummy for several decades and acknowledge her as a true mother to all and sundry; always exuding compassion.

It gives me great honour and pleasure to make a few remarks about the person of Evang. Lydia Idoko JP., the founder of the Faith Women Fellowship, on this very auspicious occasion. I have been privileged to relate closely with our Dear Mummy for several decades and acknowledge her as a true mother to all and sundry; always exuding compassion. She is well endowed with wisdom which has yielded good management of human and material resources. Her administrative sagacity is exemplified in the success of the FWF.

From its inception with a few participating members, the Faith Women Fellowship has remarkably flourished to its present membership in thousands. It is like the biblical parable of the mustard seed, being very little, but growing into a tree with its branches serving as shelter to birds of the air (Luke 13:18–19). I am deeply heartened by this trajectory, and see it as a clear endorsement of the calling and leadership style of Evang. Lydia Idoko JP.

Her courage, determination and visionary leadership have obviously played a critical role in providing valuable, if not essential, platform for women to

meet, discuss and exchange ideas on vital issues and challenges facing the people of faith and the Body of Christ.

These issues and challenges are particularly exigent today, given the uncertainties and current worrisome red flags sprouting with alarming regularity in various segments of society. The confluence of these factors as being tackled by the FWF has created a new paradigm for the church and all well-meaning people of faith.

I commend our Mummy for achieving lofty heights in the soul-winning ministry. Certainly, it takes a person imbued with grace to steer-up attention to the need for attitudinal shift in thinking and philosophies amongst people of different denominations, professions, creed, orientation and classes to embrace new fundamentalist reality in this fast-paced and ever evolving world.

I must congratulate the FWF and her founder, Evang. Lydia Idoko JP on attaining yet another milestone. I say this because the opening of this auditorium is an inarguable landmark for greater connection, integration, convergence and evangelism; in keeping with the injunction of our Lord Jesus Christ to go into the world and make disciples of all peoples. - OUR DEAR MOTHER OF FAITH.

I have keenly followed our mother's journey of life in ministry for these 34 years over and I can sincerely testify that she is indeed one of the leading champions of faith.

In 1986, God called her and handed to her the vision of Faith Women Fellowship. It was just something bare and rudimentary but our mother through her doggedness and dexterity gave the vision its flight of destiny to this glorious hour.

Evangelist Lydia Idoko is a woman of uncanny faith. She has ability to face any storm and neutralize it. She is simple, humane and devotedly yielded to God's leading. Dear Evangelist,

CONGRATULATIONS/GOODWILL MESSAGE

May I on behalf of my family and our entire staff both far and near, offer you our hearty congratulations on the occasion of your double celebrations.

For the record, you have as a woman of virtue sustained yourself with stoic equanimity for Twenty-One (21) years as a widow! My late mother was a widow for several years with many of us to take care of and I fully understand that it is an achievement. Secondly, you have spent the past Thirty-Four (34) years organising and consolidating the Faith Women Fellowship to the glory of God. It is our prayer that your hope will forever remain in God and that ultimately, you will give Him and Him alone the glory, honour and adoration.

May God's grace be and abide with you not just as you celebrate, but forever.

Once more, Congratulations.

Dear Evung,

MESSAGE OF FELICITATIONS

Evangelist Lydia Idoko JP is a virtuous daughter of Zion, a worthy mother of many and a widow of Hon Justice Alhassan Idoko of blessed memory. Late Justice Idoko was the Chief Judge of Benue State for 15 years They are blessed with children. Sometime in December 1983, Evangelist Lydia Idoko JP received a vision from the Almighty God, which culminated in the establishment of Faith Women Fellowship Ministry on 29th May 1986. She is therefore the Founder and President of Faith Women Fellowship Ministry. Before his call to glory, Justice Alhassan Idoko was the Grand Patron of the Faith Women Fellowship Ministry.

This Fellowship is a Non-Denominational Christain Women Ministry with its National Headquarters in Makurdi, Benue State and branches in some states in Nigeria. The Ministry is focused and committed to impacting and reforming lives through Scriptural doctrines, for reproof, corrections, and instructions in righteousness. Evang Lydia Idoko's passion and commitment to this call is worthy of commendation. One of the ways God uses her to strengthen the feeble hands is through writing Christian Literatures. She has, amongst others, authored: 'Soaring Higher Above Adversity', 'God Makes The Just Laugh', 'The Power of Persistence', 'Enjoy Godly Peace By Being Godly', 'Anger Is A Dangerous Guest Don't Entertain It', 'Prejudice Is But Witchcraft' and 'Decency & Godliness For Holistic Living'.

We thank the Almighty God for His grace upon the life of Evang Lydia Idoko, which has enabled her to do so much exploits in the Kingdom. She has been in the forefront of helping women, the less privileged and widows in the society through Faith Women Fellowship and her foundation (Lily Idoko Foundation). The Fellowship has hosted countless number of national conferences for women and families in Nigeria with guest speakers from different parts of Nigeria.

Today, 29th August 2020, by the grace of God, the National Headquarters Auditorium & Administrative Department of Faith Women Fellowship will be dedicated to commemorating the 34 years of God's grace upon this Ministry. This solid structure building is an evidence of God's faithfulness upon Evang Lydia Idoko. My family and I join the numerous lives this Woman of God has touched to thank God for His goodness, and to congratulate and celebrate Evang Lydia Idoko on this auspicious occasion. Like Caleb, as your age increases so will your strength and power of exploits increase in Jesus name.

GOODWILL MESSAGE MAJOR GENERAL AO SHODUNKE ON THE OCCASION OF DEDICATION OF NATIONAL HEADQUARTERS AUDITORIUM AND ADMINISTRATIVE DEPARTMENT OF FAITH WOMEN FELLOWSHIP MINISTRY

As a vessel unto honour, sanctified and meet for the master's use (2Timothy 2:21) she has allowed God to use her in the works of the Ministry for the past 34 years.

It is with utmost sense of gratitude to the Almighty God that I felicitate with Faith Women Fellowship Ministry and its leadership on this special occasion of the dedication of the newly constructed National Headquarters Auditorium and Administrative Department of the Ministry. I believe the construction of this structure is one of the greatest achievements of the Ministry since her establishment, as an indigenous Christian Women Ministry in Nigeria in 1986. Indeed, our mother and the President of the Faith Women Fellowship Ministry, Evangelist Lydia Idoko (JP), has availed herself as a vessel unto honour to be used by God in this generation. As a vessel unto honour, sanctified and meet for the master's use (2Timothy 2:21) she has allowed God to use her in the works of the Ministry for the past 34 years. Her commitment and

passion for Christ in seeing to the wellbeing of the women fold remain a motivation and source of encouragement to all and sundry.

I'm glad to note that she has continuously committed herself to be used of the Lord as we have observed from the way and manner, she handled the construction of this beautiful edifice meant for the advancement of the works of the Ministry. As part of her contribution to the body of Christ, Evangelist Lydia Idoko (JP), through the inspiration of the Holy Spirit has also written some of the finest Christian literatures such as; Soaring Higher Above Adversity, God Makes the Just Laugh, The Power of Persistence, Enjoy Godly Peace by Being Godly, to mention but a few. These materials have been used to uplift the spirit of members of the ministry and the entire Christian community in general. Therefore, dedicating the National Headquarters Auditorium & Administrative Department to commemorate 34 years of yielding to the will of God in her life is worth celebrating and emulating.

My family and I pray that God, in His infinite mercy, continue to grant her and the entire Ministry the divine wisdom and knowledge to attain greater heights in advancing of the work of God in this generation and beyond.

Mummy Evang Dr Lydia Idoko-The Woman Predestined For The Gospel.

Mummy Evang Lydia Idoko is a Woman i know who genuinely and sincerely love God and Righteousness.

She once shared her story of being from a Moslem family. During her birth, three children were born before and one after her but they all died leaving her the only surviving child of the family and she lived in the same Moslem community when she first heard the Gospel of Jesus Christ, she was touched in the heart, she believed and immediately repented and was properly led to Christ. From then she held firmly and steadfastly to her Faith.

Her parent, relatives and mates were so much grieved, they put in some hard measures in place with persecutions to discourage and frustrate her to abandon the Faith she has in Jesus Christ but she turned deaf ears and was more committed to her Faith. Instead of being subdued by this humiliation, she was waxing stronger in Faith.

What a Special Grace and a prove of God's preservation from birth for a purpose, especially the Ministry, Faith Women Fellowship (FWF) which

is been established solely on God's principles and Bible Doctrines.

I call her Lady Apostle Paul of the 19th century due to her doggedness, hard work in the Ministry and firm stand for righteousness, equity and justice. No wonder, former Chief Judge of Benue State, Justice Iorhemen Hwande told her face to face: "YOU ARE A MAN". This attribute is in line with one tough and dogged American wrestler called Becky Lynch who is named: "THE MAN". Becky Lynch is a Woman Champion in the wrestling arena, while Mummy Evang Lydia Idoko is a General in the Vine Yard.

My family and i joined the ministry in March 1996 when her husband, the former Chief Judge of Benue State, late Justice Alhassan Idoko was still alive. I also assist her in the work of the Ministry in areas I am useful or needed. Our Mummy has been victorious and firm against any manipulation of the devil, either by people who out of envy or for whatever reason may want to oppose her or fight the Ministry, because she has confidence in God she has never been disappointed.

Mummy Evang Dr Lydia Idoko is selfless and loves to help and support people. She is always giving to help widows, the less privileged, including strangers that are stranded. She is a replica of the Lydia in the Bible because she is a Philanthropist. God has been her strength and succour.

Frankly, Mummy's success in these 34 years in the Ministry is God. Finally, my advice to our Mummy is, that we really give God the Glory and Praise for 34 years of success in the Ministry, but bear in mind that you have just gone half way, greater things lie ahead, the Grace of God is available and sufficient for you. As Christ tarry and we exist, don't be weary, keep demonstrating your Godly qualities, zeal and work in the Ministry. You shall always see more of the hand and wonders of God Almighty.

A Sincere Walk With The Master

“

You have been faithful and dedicated in your walk with the Master and indeed He has established your boundaries.

The LORD will tear down the house of the proud, But He will establish the boundary of the widow. (Prov 15:25)

Mummy as you dedicate your National Headquarter, I am delighted because yet again God has giving us an opportunity to witness his word come alive.

You have been faithful and dediccated in your walk with the Master and indeed He has established your boundaries. Thank you mummy for holding up the staff in the storms and battles for us all and even more will our Lord Jesus do for you and grant you good long life.

'Cursed is he who distorts the justice due an alien, orphan, and widow.' And all the people shall say, 'Amen.' (Deu 27:19).

Congratulations Mummy for the Hand of the Lord Upon your Life and Ministry.

I count it a great joy, privilege and blessing to write to celebrate my dear mother on her 34 years anniversary in ministry. I was privileged to grow and see her actively involved in the work of the ministry. One thing you can never take away from my mother is her "Never-Give-Up spirit". I celebrate her today because she is always selfless and willing to help people she doesn't even know . She is a true definition of a strong woman!

....A Goodwill Message at the official Dedication of the Faith Women Fellowship Auditorium at the National Headquarters of the Ministry, in Makurdi, Benue State.

34 years ago, in the town of Makurdi, in the Middle Belt of Nigeria, God, in His Sovereign choice, raised a woman, a woman of valour, freed, filled and fired, who caught the vision of creating a distinct forum for women of faith. Mrs Lydia Idoko, by the leading of the Holy Spirit, christened the forum THE FAITH WOMEN FELLOWSHIP. This Fellowship, whose ideas and principles are anchored on Christ alone, has, in a period spanning over three(3) decades, traversed the length and breadth of Nigeria stirring up revivals and fostering and multiplying sisterly love amongst the women folk. Because of the founder's broadened vision, the fellowship has extended the frontiers of fellowship beyond the shores of Nigeria and,

thus, has become International in outreach and status.

Evangelist Lydia Idoko, undeniably, is one of the end time Generals God has raised to raise and mentor women of Faith who would be foot~soldiers for the end~time harvest. She finds fulfilment in the service of the Father and, thus, committed to this task heart & soul. She is an Esther of our generation and therefore, neither environment nor location has been able to deter her from fulfilling her

mission to the women folk. Her passion for souls of her fellow women has the potential to depopulate hell and enlarge the coast of revival and dedication amongst women of our time. May the Lord prosper the works of her hand in the ministry in Jesus Name. Maranatha.

(Joe Abrahams, SAN, Abuja, Nigeria).

I was a little boy when mummy pioneered the faith women ministry. I also remember that after that there were also many women ministry movements that were pioneered that unfortunately didn't last for long. **Looking back 34 years later is is clear that God was behind the birth faith women ministry and God alone is been the power behind His choice servant all through the period of 34 tough years.**

Evangelist Dr Lydia Idoko Jp, has proven herself a strong woman of Faith.

GOOD WILL MESSAGE:

At this Special Occasion of the Dedication of the Ministry's Headquarters and Auditorium, I am highly delighted to be asked to send in my Good will at this memorable Occasion.

First, I want to share my personal closeness and relationship with the Late Hon. Justice Alhasan Idoko's Family. Hon. Justice Alhasan Idoko, was an Astute and God-fearing personality, a humble and down to earth fellow. He stood firm to ensure that justice prevailed not only in the Court but in the Society at large. His name was synonymous with Justice. I remember he instituted the Christian Leaders Forum(CLF),with an aim of ensuring that Christian Leaders live a life of Integrity in the Church as well as in the Society . As a Christin Lawyer and Honorable Justice sitting in the pew, he felt that we Preachers do things that are sometimes incriminating and therefore insisted that we should not falsely declare “thou sayeth the Lord” while God had not spoken to us. Many Preachers did not find this funny, though.

He was a Guest Preacher at many occasions in our Diocesan programs including our Diocesan Synod.

He was a Member of Board of an Organization I Chair Ecumenical Centre for Justice and Peace(ECJP) till his death. In fact he was the first

person I shared the vision with in Israel during our 1994 Christian Pilgrimage in Jerusalem.

Evangelist Dr Lydia Idoko Jp, has proven herself a strong woman of Faith. She has maintained giant stride pursuing her husband's course in organizing Faith Women Ministry over the past 34 years both in the live time of her husband and even after his demise.

She has expressed deep Commitment to Building the Faith of Women both in and outside the State and even beyond.

I highly commend the professional

colleagues of Hon Justice Alhassan Idoko particularly and all those who have supported Idoko's family and especially this vision from inception to the present day. May God Almighty continue to reward you richly and abundantly in the Name of Jesus.

I don't think I merit this honour but I humbly thank the Celebrant Evangelist Dr Lydia Idoko Jp for choosing me to write this good will. Congratulations.

God bless Hon Justice Idoko's family.

Rt Rev Nathan N Inyom

Sister Lydia Idoko is a minister of the gospel, who does not give in to distractions, nor give up to discouragements of any form so, I thank God for her perseverance. I also give glory to God for His faithfulness in sustaining the Ministry. Sister, as you hold unto the plough, do not look back. Keep looking unto Jesus the Author and Finisher of our faith. Amen

I may not have enough space to do a proper write up about the life and times of Evangelist Lydia Idoko in her work with God for 34 years as the National Headquarters Auditorium of the Faith Women Fellowship Ministry is to be Dedicated.

The first time I came very close with the work of this great Ministry was 25 years ago in the mid 90s when the General Overseer, our Mama Evangelist Lydia Idoko invited me to be a guest Minister during one of their programmes. I remember vividly as I spoke in the subject matter of "Home Nurturing".

Right from historical perspective, great women have contributed to the development of the Gospel as it was also in the time of Jesus Christ and the first Apostles. Today, I have a Woman who is notable in spreading the Gospel in our times in Nigeria and beyond in the personality of Evang. Lydia Idoko who is in many parts as a Mother, Mentor, Moulder, Manager, Motivator and Coach to many in the Body of Christ through her dogged Faith in and out of seasons. She is a great teacher of the Word and also a helper to many including widows and orphans in the society. She has passion to mankind and

compassion to her Savoir, Jesus Christ.

She has been a quintessential symbol of the women that have been of persistence to diligence, help and succor of the Ministry. No wonder, she has put together a befitting edifice which is to be Dedicated as the National Headquarters of the Ministry under her purview.

We wish her God's protection, double Grace, Wisdom and understanding as she continues in the service to the Lord Jesus Christ.

Congratulations, our Mummy.

BISHOP DR. MIKE JUDAH ANGOU

Vice Chairman, CAN-Benue State

It is very difficult to put in words her indescribable impact to the body of Christ in the last 34 years. Behind every ministry is a selfless pastor willing to give himself fully to the flock. No ministry has ever risen beyond her vision, Evang Lydia Idoko's ministry has been one of the sacrificial love to mankind through prayers, giving and above all saving souls for eternity. "Mummy" as I fondly call her, she has never left me without a word of encouragement and prayer. You are indeed an angel sent by God. And just like Lydia in the bible saying in Acts 16:15."If you have judged me to be faithful to the Lord, come into my house, and stay." Mummy Lydia, I and every other son of you, we are persuaded to stay in the vineyard with you.

Goodwill Message

The Lord God has always been in His business of seeking for whom to use in His service_ (Ezekiel 22:30).

Blessed be the name of the Lord Who sought and found someone in the person of Evangelist Lydia Idoko, JP , whom He desires to make Himself manifest and who like a vessel unto honour in the Porter's hands fully released herself and has been used in the propagation of the gospel for the sake of the kingdom of her God in the Faith Women Fellowship Ministry(FWF) these 34 years. All glory and praise be turned to Him for this abundant grace. Amen.

As a chosen instrument in God's hands, it pleased Him Who chose her as a leader of His people just like Moses was chosen and led the Israelites from Egypt to the promised land, Evangelist Lydia Idoko, JP was the one tasked to lead the FWF Ministry under Him these 34 years (and some 5 months because of COVID-19 that pushed this date from March to today) in what we can rightly describe as **silent* *labour in Ministry** under God for the glory of the Lord, HALLELUJAH! MUMMY LYDIA IDOKO: THE AMAZON

In my life, I have come across only three women and mothers women and mothers I can comfortably refer to as amazons. My mummy is one of them! She is indeed a fearless, bold, focused, detailed, and an intelligent woman and mobilizer, with supernatural strength. A mother of peace, blessings, kindness, love and care. She is full of respect, humility and God's grace.

Mummy Lydia is a never-giving-up and determined goal-getter and achiever. She is a mother to all, especially women who are determined to make improvements in their lives and families. She is an

instrument of God making frantic efforts to put smiles on the faces of so many women on daily basis, through her ministry.

The three years I have come to know my mummy have been worthwhile. I have enjoyed every opportunity to work with and for her. I cannot imagine myself not receiving at least a word of prayer and blessings from my mummy each day. She is indeed a blessed woman and mother every child would want to have. I thank God for this rare opportunity to have her as my mother.

I pray the Almighty God who has given her to us and also kept her alive up to this moment to continue to be her foundation, pillar and crown. May He also keep her safe and strong, and give her more strength to complete the work He has placed in her hands, in Jesus mighty name, Amen.

Her dogged determination, consistency and passion for balanced word based and spirit led ministry has remained a challenge and inspiration to the new breed of ministers in the land.

To Evang Dr Lilly Idoko

On the occasion of 34 years in the ministry and the dedication of the national headquarters auditorium

The gospel ministry terrain of the north central region of Nigeria has for a long time remained a male dominated one with a very few women daring the status quo to answer and fulfill God's divine mandate for their generation. Evang Dr Lilly Idoko has stood out against all odds among the few. Her dogged determination, consistency and passion for balanced word based and spirit led ministry has remained a challenge and inspiration to the new breed of ministers in the land. As a widow who has brought up children, lodged strangers washed the feet of saints, has not closed her bowels of mercy to the cry of the needy and has diligently followed every good work, she qualifies to be received in the number. 1 Timothy 5:9-10. I on behalf of my family and ministry do felicitate with a constant northern star amidst shooting and disappearing stars and a mother in Israel on this occasion of 34 years on the Frontlines with Jesus and the dedication of the National headquarters auditorium. As your days, so shall your strength be.

A word concerning Evangelist Lydia Idoko

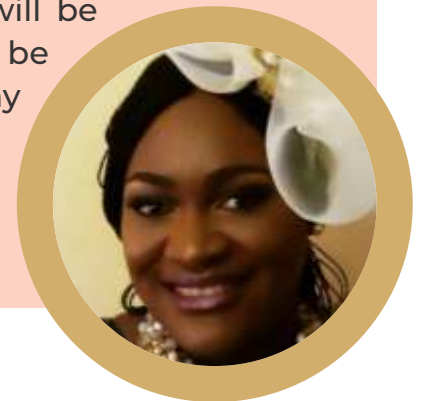

For over two and a half decades, I have known Evang. Lydia Idoko as a woman called of God into His Vineyard. She is focused, dedicated and committed to building women. Giving their lives a meaning just like the Biblical Lydia in Acts 16: 14. She is a General amongst women. I am not surprised at where her Ministry is today. My prayer is that God will take her to the next level in life and Ministry and decorate her with Honour and Glory in Jesus precious name.

Amen. **Pst Tahbat Felix Bonat.**

We are encouraged not to despise the days of little beginnings. And by God's grace and endowments, you were able to pull through the years of adversity. This great feat will be sustained by Him. And more glorious celebrations will be your experience. Congratulations to our dear mummy Evangelist Lydia Idoko.

GOODWILL MESSAGE!!!

The vision was revealed in the year 1983, almost four decades ago and three years later in 1986, this daughter of Zion, woman of uncommon Christian virtue, Evangelist Mrs Lydia Idoko, JP followed through with the mandate of almighty God when she established the first indigenous Christian Women Ministry in Nigeria and christened it, FAITH WOMEN FELLOWSHIP MINISTRY, where she functions as President till now.

Her total obedience to this divine call has not wavered over the years as she has left no one in doubt about her passion to serve God. She has become a beacon of encouragement to other widows and indeed the entire women folk through her evangelical activities that tend to promote and uphold the Christian virtues of holiness, righteousness and perseverance in the service of God. She has taken the gospel of our Lord Jesus Christ to boundless limits through her publications which include but are not limited to " Soaring above adversity ", " God makes the just laugh ", " The power of persistence ",

Her total obedience to this divine call has not wavered over the years as she has left no one in doubt about her passion to serve God.

" Godly peace by being Godly," etcetera. As we dedicate the National Headquarters Auditorium & Administrative Department to commemorate 34 solid years of service to God and humanity, I and my family join many to testify of God's grace and mercy upon our dear mother who has impacted our lives through her tireless stewardship in the vineyard of our almighty God. A TRIBUTE TO AN INDEFATIGABLE DAUGHTER OF ZION

“

Her dedication and unwavering commitment to her calling makes her stand out among the CHOSEN ones of God and worthy of commendation.

”

The only gospel according to Methuselah was that he died at age 969. The story of his entire life was written in one sentence. He wasted his life without impact. No testimony nor story to tell.

But for 34 uninterrupted years, our mother, Evangelist Lydia IDOKO kept the faith in the midst of stories and maintained constant fellowship which has impacted the lives of several women in her generation.

Her dedication and unwavering commitment to her calling makes her stand out among the CHOSEN ones of God and worthy of commendation. More grace. I rejoice with you on the occasional of the dedication of FAITH WOMEN AUDITORIUM . The God you serve will prosper this work in your hand. He is too faithful to fail. Keep up the faith and keep soaring high.

Good Will Message

Love, passion, dedication, compassion, commitment, discipline, excellence, focus and consistency are what is lacking in our world today. For over 34 years and since I met Mummy as a teenager up till date, the attributes mentioned above are part and parcel of her life. Those of us who are her foster children has enjoyed the same upbringing and privileges like her biological children because she does not discriminate and has been faithful and consistent with what the Bibles teaches. As a role model, councillor, author, life coach, a teacher, an evangelist of high repute, her prayer life and personal concern for everybody that come in contact with her is evident in the lives and destinies of those people God has used her to raise and nurture.

EVANGELIST LYDIA IDOKO JP
A MATRIARCH IN SERVICE TO GOD AND MAN:
Celebrating 34 years of Graceful Impact

21 years ago I heard tales of her exploits for God's Kingdom.

Simon Ijepe thought he was merely answering my questions and testifying about the ministry of Evangelist Lydia Idoko whom he was serving at the time; he did not know I made a

mental note to find her ministry out.

Since then I've followed her ministry closely and gleaned from her from a distance until 15 years ago when I made personal contact with her family and ministry.

I'm often inspired by her doggedness in the pursuit of the Kingdom of God and her undying zeal for the proliferation of the frontiers of God's influence in Nigeria.

Her Passion for widows and her selfless service of the cause of the needy and vulnerable people of our society invites superlatives even from the most unbelievable and cynical quarters. I've seen her give and give to the needy, I've witnessed her fight for the cause of the poor. What a beautiful inspiration her life is and have been.

One aspect of her service to God and humanity that have never failed to Challenge me and make 'nonsense' of my negligible effort is her Writing and

I'm often inspired by her doggedness in the pursuit of the Kingdom of God and her undying zeal for the proliferation of the frontiers of God's influence in Nigeria.

Publishing Ministry; yes, I call it ministry because of the way she churns out books and publishes them, My God! Mummy Idoko writes as though she's eating Pizza on a glass of a freshly squeezed grape juice on the rocks, it's that easy and pleasurable for her.

She has anchored a huge bulk of her time on advancing humanity's and God's Kingdom Causes on THE PRINTED PAGE. The amazing part of her writing is that she researches into grey areas and contributes to knowledge in fields that resources and counsels are lacking.

The question I ask myself is, in our world today, how many people of her age male and female are still actively researching and writing?

I'm grateful to God for her because, my family and I have benefited from her books.

About 9 years ago, in the Local Assembly I pastor, we had to subscribe to her Daily Christian Devotionals for the use of our Parishioners.

More recently, we ordered her books and use as souvenirs for first time visitors in our church.

As a matter of Fact, I had to Order Her Book on Anger Titled "Anger Is A Dangerous Guest Do not Entertain." for our Church Workers and all our Leaders.

She's a blessing indeed!

Mummy Idoko has a very creative and anointed way of motivating anybody to positive action. She knows how to celebrate you; She can freely bestow titles and accolades on someone.

Words are not enough to tell of the blessing Evangelist Lydia Idoko is to our world! Without controversy, she's a gift to our planet!

Happy 34 years of Full time Service to God and Man!
